

# THREE LEVELS OF MEMBERSHIP

Learn about the three levels of exclusive benefits and choose the best membership for you.

# ABOUT US

The Glossy Black Conservancy Inc. is an independent conservation and research association that provides resources, training and support to the broader community to help identify and learn about the charismatic Glossy Black-Cockatoo.

The Conservancy collaborates with government agencies, the private sector, and the community as key stakeholders to conserve the Glossy Black-Cockatoo throughout the region.

# BECOME A MEMBER

## Organisation

For organisations, research institutions and agencies who partner with the Conservancy to deliver conservation outcomes for the Glossy Black-Cockatoo in their region.

## Individual

For individuals such as researchers and conservationists who partner with the Conservancy to deliver conservation outcomes for the Glossy Black-Coackatoo. Individual members do not represent their affiliated organisations.

## Associate

For organisations or individuals who partner with the Conservancy to deliver conservation outcomes for the Glossy Black-Cockatoo in their region. Associate members may represent their own interests or those of their affiliated organisations in an advisory capacity only.

# MEMBERSHIP BENEFITS

Conservation Impact: Directly contribute to the preservation of Glossy Black-Cockatoos by supporting vital research and conservation activities.

Community Engagement: Foster a sense of environmental stewardship within local communities.

Scientific Contribution: Generate valuable data to contribute to scientific understanding and management strategies.

Visibility and Recognition: Acknowledgment in project materials, website, and press releases, showcasing your commitment to environmental conservation.

# AS AN ORGANISATION MEMBER

Organisational level members are invited to:

Have a voice in shaping the Conservancy's operations, participate in crucial strategic decisions, contribute to meetings, and join specialised working groups.

Act as a key representative of the Conservancy to promote awareness and conservation of the Glossy Black-Cockatoo within government agencies, industry and the local community.

Provide input/feedback to Conservancy related matters when requested.

Submit an annual report on activities undertaken.

Hold voting rights.

## Contribution

\$1000 - \$5000  
cash + in-kind

Minimum of \$1000  
cash contribution  
annually + in kind  
support to the value  
of \$5000\*

\*other cash or in-kind  
arrangements may be  
made by negotiation  
with the management  
committee.

# AS AN INDIVIDUAL MEMBER

Individual level members are invited to:

Have a voice in shaping the Conservancy's operations, participate in crucial strategic decisions, contribute to meetings, and join specialised working groups.

Act as a key representative of the Conservancy to promote awareness and conservation of the Glossy Black-Cockatoo within government agencies, industry and the local community.

Provide input/feedback to Conservancy related matters when requested.

Submit an annual report on activities undertaken.

Hold voting rights.

## Contribution

\$30 - \$1500  
cash + in-kind

Minimum of \$30  
cash contribution  
annually + in kind  
support to the  
value of \$1500

# AS AN ASSOCIATE MEMBER

Associate level members are invited to:

Contributing to meetings, and join specialised working groups.

Act as a key representative of the Conservancy to promote awareness and conservation of the Glossy Black-Cockatoo within government agencies, industry and the local community.
